ABOUT US

"The Austrian
Warmblood - Quality
before Quantity!"

Mag. Theresa Deisl,
AWÖ Zuchtkoordinatorin

We (The working group of austrian warmblood breeding) are proud to present you a selected collection of dressage warmblood sires, internationally successfull sporthorses and foals from Austrian warmblood horse breeding.

Despite the small horse population with only about 2,000 registered mares and about 500 warmblood foals annually, Austria can boast with remarkable success horses and a ranking in the WBFSH list of the best breeding areas on place 32.

The list of current successful horses includes names such as "Obora's Chloe" (1.60 m victorious under the Brazilian flag rider Marlon Modolo Zanotelli), "Contario" (1.50 m placed under Michael Viehweg) or "For President AWÖ" (successful in international Grand Prix under Michael Bujan and currently qualified for the World Championships in Herning/DEN).

Be curious about the presented collection and find your next future star,
born in Austria!

#1 – GEYER'S VIVENDI PRH.

Licensed stallion born on 17th of March, '19
by Vitalis x Rubin Cortes

Acclaimed winner of the AWÖ licensing 2022!

Breeders and owners are Sandra & Heinrich Geyer, Gestüt Geyer from Heiligenkreuz. The typey chestnut also grew up in their generous meadows and is Sandra's "heart horse".

The nobleman descends from the top sire Vitalis and on his mother's side goes back to Rubin Cortes and Rubin Royal. Dr. Leopold Erasmus praised the AWÖ stallion for his charisma, his typey appearance and the enormous agility in his basic gaits. The young stallion is endowed with a lot of noblesse, a great uphill tendency, a correct self-carriage and a lot of balance. A worthy champion stallion who is without a doubt an enrichment for the Austrian breed.
